

PLUMBING

Course Mode	Full-time
Location	Milnthorpe Road Campus (MRC)
Duration	1 Year
Level	3

Course Overview

This course is designed to equip you with the basic skills in plumbing for the mechanical service environment and you will learn about health and safety, cold and hot water, central heating, sanitation and other subjects related to the industry.

On the Level 3 programme you will study more advanced subjects such as domestic gas principles.

All of our learners will be given support with their English and Maths skills where relevant to their main course. Those students who have not yet achieved a Grade 4 (or C) at GCSE in these subjects will continue to work towards these important qualifications at a level suited to them. However, students will still have to achieve the stated Entry Requirements before they start the course.

You will learn the fundamental principles and requirements of environmental technology systems and will achieve a higher career awareness of environmental technology systems and achieve a higher career awareness in building services engineering.

Continual assessment of both theoretical and practical work - assessment is based on candidates showing what they can do.

Practical assessment is a portfolio of assessment projects that need completing. These use a range of materials including copper, steel, sheet lead and plastics.

All exams are online multiple choice questions.

Entry Requirements

You should have a Level 2 Diploma in Plumbing Studies, in an equivalent qualification in a relevant subject.

NB: Enrolment on this course is dependent on meeting the Entry Requirements stated above.

After your course

This course will give you the necessary skills to progress into employment, as well as the opportunity for further study at a higher level.

Fees

£3000.00

Course fees are per year. There may also be additional costs associated with the course (please see the course overview).

Student Finance

Whether you qualify for student finance depends on specific criteria. The main student finance package for full-time students includes a tuition fee loan and maintenance loan for living costs. Part-time students can access a tuition fee loan to pay for your course.

Generally, you will only get student finance if you're doing your first degree-level qualification. This is true even if your previous course was self-funded.

For further information please see www.gov.uk/student-finance.

Access to Learning Fund

The Access to Learning Fund is a non-repayable discretionary fund that gives students facing hardship extra financial support to access and remain in higher education. This can be accessed via the college. Contact Student Services for more information: hello@kendal.ac.uk / 01539 814700.
