

# PRINCIPLES OF END OF LIFE CARE

Course Mode

Distance learning

Location

Milnthorpe Road Campus

Duration

12 Weeks

Level

2

## Course Overview

Particularly suitable for those with limited time to attend college but with a keen interest in developing an understanding of in the Principles of End of Life Care. The course covers the following topics:

- How to work in end of life care
- The support needed to manage pain and discomfort
- How dementia impacts on end of life care
- The role of the care worker in time of death
- The loss and grief process

This qualification will give learners working in, or intending to work in, healthcare and social care the knowledge and understanding of end of life care to support their role and enable learners to progress to other qualifications in this subject area, or within the wider area of health and social care.

Learners will receive a resource pack which includes study modules.

Module submissions can be hand written in the workbooks provided and posted to college or alternatively, electronic modules can be supplied for submission.

## Entry Requirements

This course is designed for those who work or have an interest in Health and Social Care, including those in a work role and

informal/family carers. Learners must be aged 19 or over in order to enrol on the course, be living in England and not taking part in full-time education. Entry is at the discretion of the college. Kendal College will ensure that this course is appropriate for the age and ability of the learner. This may involve an assessment to ensure learners can meet the criteria and comply with the relevant literacy, numeracy, and health and safety aspects of this course.

## After your course

Learners who achieve this qualification could progress to the following:

- Level 3 Certificate in Understanding the Principles of Dementia Care
- Apprenticeships in Health and Social Care
- Level 2 Certificate in Mental Health Problems
- Level 2 Certificate in Common Health Conditions
- Level 2 Certificate in Falls Prevention Awareness
- Level 2 Certificate in Principles of Dementia
- Level 2 Certificate in Understanding Autism
- Level 2 Certificate in Understanding Behaviours that Challenge
