# Welcome to <sup>the</sup> *R*estaurant

Welcome back to the Kendal College Restaurant!

I wish I was writing this in better circumstances as 2020 has been a year we will all want to see the back of I am sure. I hope you have managed to stay safe and you and your families have not been adversely affected.

This obviously has had a massive impact on the industry in general, but this has made us more determined to continue the high-quality training we are renowned for. In normal circumstances, I would write about all our exciting trips and events in the department, but due to the timing of the virus, many things were cancelled or delayed. The trips to Amsterdam and Seville were cancelled, as was our hosting of a dinner with every Michelin starred chef in Cumbria. The competitions we had entered were also cancelled so we will wait to see if they run during this academic year.

There is some good news from last year, and this was the completion of the new kitchen in Room 201, which is our training kitchen. The college received substantial funding from the Savoy Trust, and this enabled us to purchase new kit and to remove the equipment from the Castle Dairy and reinstall it here at college. This kitchen is now state-of-the-art and all-electric, which mirrors the changing trends towards cleaner energy.

The year up until March did have some highlights, as again we hosted the annual Cumbria Life Food and Drink Awards as well the Comic Arts Festival. The Culinary Team also helped Hawkshead Relish produce a high-quality recipe book.

So now to this academic year! The committed and highly motivated Hospitality Team have worked hard on safety procedures to ensure we can open for business as usual in October 2020. Now more than ever we need your support in keeping the restaurant going, and we are going to come back bigger, stronger and better.

Rest assured we have taken every precaution to ensure your safety, as well as the safety of our students and staff, so we can try to return to some sort of normal.

Please read the instructions regarding arrival and departure points carefully, before arriving at the college.

I look forward to welcoming you all back to the restaurant really soon!

**Richard Axford**  
Head of Hospitality & Management

## COVID-19

The safety of our customers, students, and staff is paramount. As such, we've implemented the following safety measures for everyone's protection:

- Face masks must be worn on arrival, and anywhere other than at your table unless you have a medical reason for not doing so.
- Please practice responsible social distance while not at your table.
- We ask that all customers arrive through the old entrance on Vicarage Drive, where you will be greeted by a student and taken directly to your seat.
- If for any reason you need to leave your table, please seek assistance. We are taking all precautions to avoid unnecessary contact with other groups, our learners or our staff.
- We would prefer if your bill is settled with a contactless payment.

# Autumn/Winter

The Restaurant will re-open its doors on Tuesday 6th October 2020 with a special three-course opening luncheon. Our first dinner service is on Wednesday 7th October 2020.

The Restaurant will host a private dinner on Thursday 12th November 2020 for The Bob McGhie Trust. The Trust, set up in honour of the first full-time member of catering staff at Kendal College, has provided scholarships enabling young people to travel and work in top hotels and restaurants all over the world.

Our famous Christmas lunches will be available from Tuesday 24th November 2020 and are already proving incredibly popular. Early booking is advised!

Our new winter warming lunch starts from Tuesday 5th January 2021, followed by a celebration of fine food and beer matching dinner on Wednesday 20th January 2021.

February will bring a number of opportunities to dine with us, and we will be offering our lunches and four-course dinners throughout the month.

On the 3rd February 2021, the College will host an exclusive four-course tasting menu with a guest speaker, which will include a glass of wine with each course, courtesy of Sandy Potts of Lakeland Vintners.

# Summer

Summer brings a splash of colour to The Restaurant menus. Fresh, seasonal ingredients are at the heart of everything we do so we are very fortunate that the quality of produce in Cumbria is second to none.

The end of our College year brings a return to classical cuisine and Cumbrian tastes before June witnesses the final push for chefs and food service staff to complete their qualifications.

As well as College Open Days, there will be an opportunity for aspiring chefs to whet their appetite on a taster day with our team of qualified professionals including Paul Waring, Richard Axford and Yannick Lequitte. For details contact Student Services on 01539 814700.
